## INFO :

EXTEND - "When you aren't there"  
 That kind of things can happen, when you aren't watching.

Side-a : "Consequence of the Irrelephant-Electricity"  
 The basic idea of this picture was combine irrelevant objects together, thanks for Jybbe for helping me out

Side-b : "The End of the Toiletpaper"  
 Actually this really is a forgotten idea. I found 4-5 years old sketch, Giraffe from the Toilet, and then I added some irrelevant objects. Dickie is one of the Extend members, photographed at Extend Summer Meeting 2002.
